Subject: Bryston BDP-1

Hi Jim,

I met you at CES some years ago, back when I had five Bryston 7B monoblocks and when I was moderating the AVS Forum Special Guests forum (a hobby, so after a few years I “retired” to work my law practice to pay for all this stuff.

Your BDP-1 is simply amazing – I’ve had it since Dec. 2nd and I’m simply amazed.

There’s a thread I started over at AVS with nothing but praise for the BDP-1.
