MEMO: To All Briston Customers

SUBJECT: RMAF 2014

Hi Folks,

It is always nice when people who have been in the industry for decades acknowledge your products:

Hello James,

I have to say that it was wonderful to have the opportunity to work with the Briston Team at RMAF 2014.

It was my first time to hear the Briston speakers. We had the Middle T's for the show.

What an impressive speaker!

A big, spacious soundstage, tonally neutral, with impressive dynamics, and powerful bass for that size speaker.

The Middle T's reach down low without sounding boomy or bloated. The 28B SST2 amplifiers gave an overall effortless presentation.

Truly an incredible value for the money.
