Hi James

We received our new 4B Cubed this week.

We replaced our 4B SST-2 in our reference system.

If I compare the new 4B-3 (Cubed) and 4B SST 2, the advantages of the new Cubed series right out of the box are:

- More spacious and airy
- The high end frequencies are more softer
- Better image
- More depth
- A low bass even stronger and faster

A pure delight !
