SUBJECT: BusiSoft AV – New Australian Distributor

August, 2015

Hi Folks,

It is not very often that Bryston appoints a new Distributor. I would like to welcome BusiSoft Pty Ltd of Australia to the Bryston family.

I am also extremely pleased to announce that BusiSoft AV is the first winner of our

‘QUICK START AWARD’

In just a few short months Bryston Loudspeaker orders have exceeded 60 pairs!

Electronic product sales have far surpassed all our expectations as well!

Congratulations to George Poutakidis and everyone at BusiSoft AV and we look forward to a long and mutually rewarding future.
